We've looked after millions of people following a serious work-related injury or incidents that happen while away on business. Our cover is designed to protect employees after accidents and against a host of emergencies while they're abroad. And to respond to a world of evolving security concerns (from riots to terrorism), our cover continues to get wider and stronger.

SERIOUS INJURY AND ACCIDENT HELP

Our claims team handle thousands of accidental injuries a year – making single cash payments for life-changing injury claims, weekly payments for temporary ones as well as a wide range of additional supporting payments.

IF YOU RUN INTO TROUBLE

Should events on a business trip take a turn for the worse then your people are in safe hands. Whether they need support on the ground or to get out quickly, we have proven global evacuation expertise and rapid crisis response capabilities (which can be upgraded with our Crisis Plus extension to cover an increased range of threats). Expert medical support is also available 24/7. What's more our concierge claims service aims to settle baggage and money claims in under 15 minutes over the phone.

"WE'VE GOT YOUR BACK" TOOLS

We're always looking to evolve the protection we give our Lifeline Plus clients. Our Travel Assistance app recently added the ability to request an insurance certificate, includes a geo-fenced check-in feature and a claim notification tool. Our Virtual Medical Care service provides employees (and their immediate families*) with GP Consultations and Expert Case Management should they need it. Lifeline Plus even helps protect our clients' reputation in the event of a crisis or bad publicity.
