

Maritime Piracy Insurance

Maritime piracy hot spots include major shipping routes in South East Asia, the Indian Sub-continent, West Africa and the Gulf of Aden, with the Gulf of Guinea now the world’s highest piracy risk area.

Pre transit preparation and risk mitigation is critical to managing piracy exposures. This is why AIG’s Maritime Piracy Insurance not only covers financial losses but also delivers world leading crisis management and security consultancy to support policyholders facing a piracy incident and to reduce the risks of suffering a piracy loss in the first place.

Cover is provided for Kidnapping, Hijacking and Illegal Seizure and includes:
